## THE ROAD NOT TAKEN

Two roads diverged in a yellow wood  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as far that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I —  
I took the one less traveled by,  
And that has made all the difference.

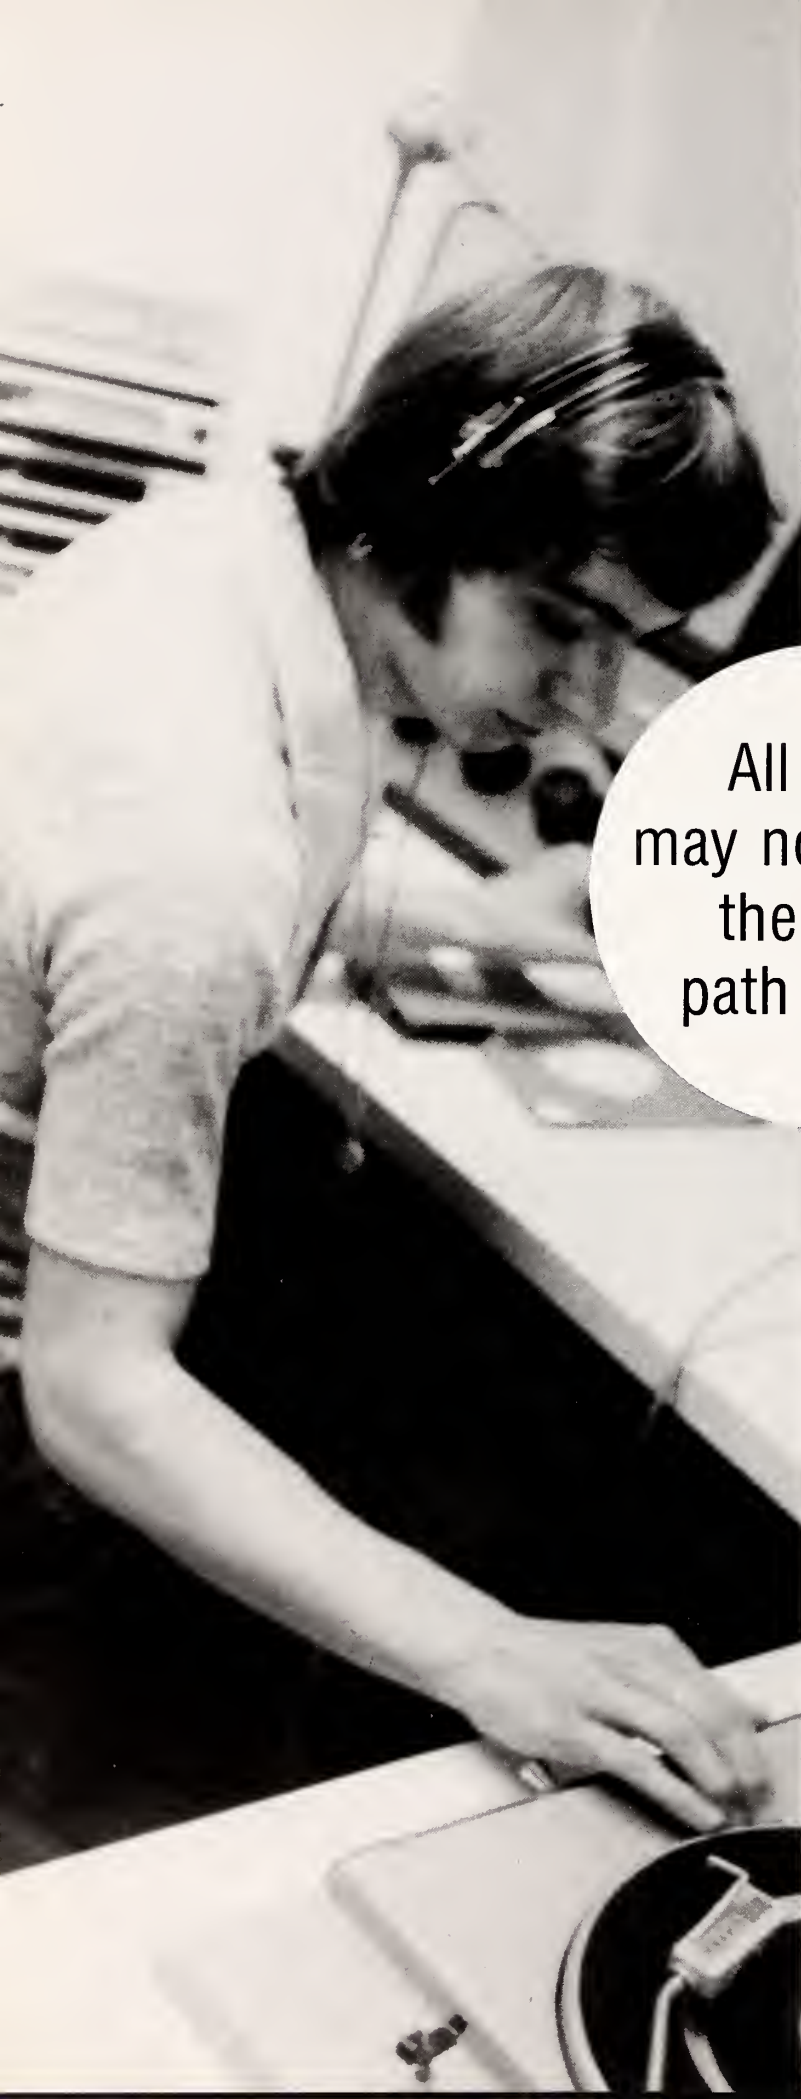

Robert Frost

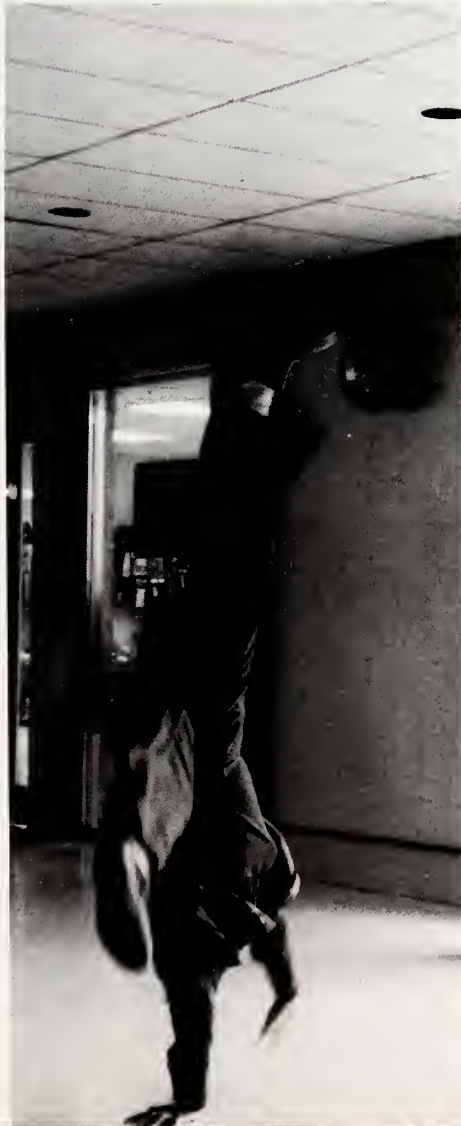

All of us  
may not choose  
the same  
path . . . . .

But we all get  
there just the  
same . . . .

Living demands an involvement with which  
we mix individual vitality,  
enthusiasm and initiative  
into happiness

Reach out to others . . . . .  
for friendship

The poet's soul  
Begins to roll  
When harsh old Winter  
closes;  
When gentle Spring  
Begins to bring  
Her wealth of love and roses.

When Cupid flies  
Beneath the skies  
With cherub wings extended;  
When wind that blows  
The chilling snows  
And wintry days are ended.

— James Larkin Pearson

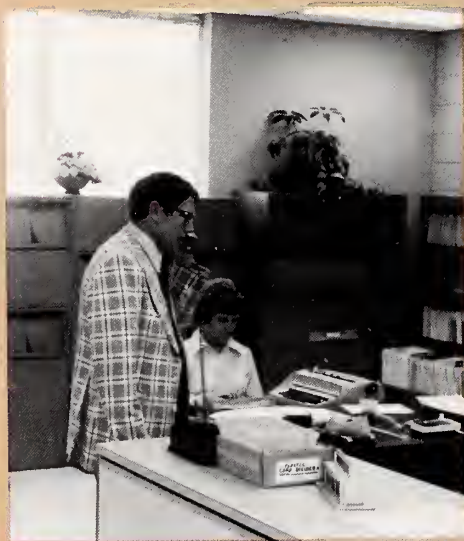

Our guideposts  
enlighten the way . . .

As we reach out for knowledge, understanding and hope.

The construction and dedication of the statue of Ben Cleveland was a part of WCC's contribution to the Bicentennial Celebration.

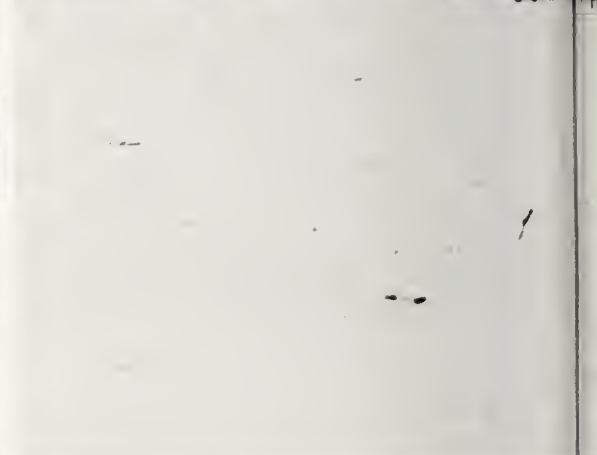

Newton's Law,  
 "For every action  
 there is a . . .  
 reaction," not only  
 applies to science but  
 it also applies to  
 people. Life is  
 composed of many  
 actions and reactions.

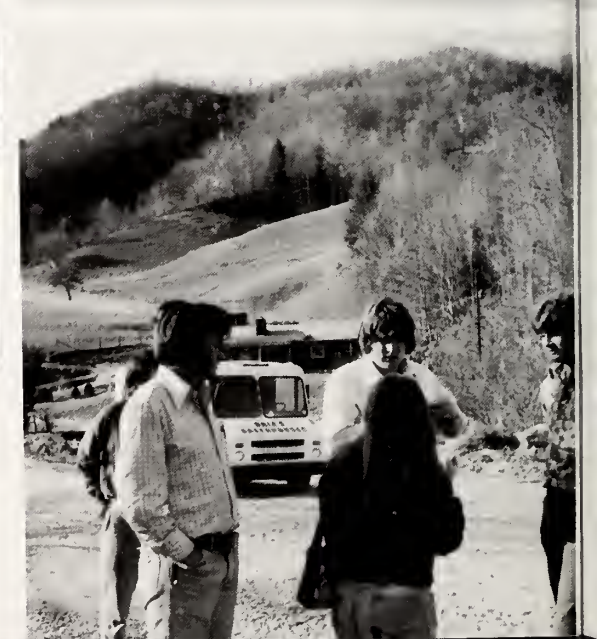

Years of classes . . . tedious  
 Studies . . . intense learning . . .  
 then the reward —  
 Knowledge — the most  
 valued asset to man.

Could it be Mordecai?

Rapíd Roy — intense with thought.

While learning, Terry must stuff!

“Men’s feelings are as different  
as their faces.” —  
Sir Francis Buller

# The Matchmaker

The Matchmaker, a comedy by Thornton Wilder, was presented with great success by the College Theater. The show was under the direction of Bud Mayes with Tomm Tomlinson of Boston University as technical director. The play was highlighted by a unique set design and an excellent cast — Dick Sloop, Ken McNeil, Joel Davis, Tammy Adams, Richard Cardwell, Teresa Crews, Virgil Adams, Molly Carrington, Mike Elledge, Kim Whitesides, Susanne Hayes, John McCann, Jon Dancy, Brian Markle, Cathy Sebastian and Cindy Adams.

Wilkes  
County's  
First  
Dinner  
Theatre

The Little Foxes by Lillian Hilman was given by the College Theatre. This play, the story of a southern family during reconstruction, was met with great success. The members of the cast were Charles Redman, Richard Cardwell, Karen Wheeling, Terrie Calahan, Freddie Johnson, Harison Barnes, Mike Elledge, Vickie Reins, Judy Greens, and Archie Miller.

#### STUDENT DIRECTORS

This year for the first time WCC offered a Pre-Drama Degree. As a requirement for this degree students directed self-chosen plays. Mike Elledge directed "Oh Dad, Poor Dad, Mama's Hung You In The Closet And I'm Feeling So Sad." The Brute, directed by Terrie Calahan and The Safety Match, directed by Kim Whitesides both received great commendation.

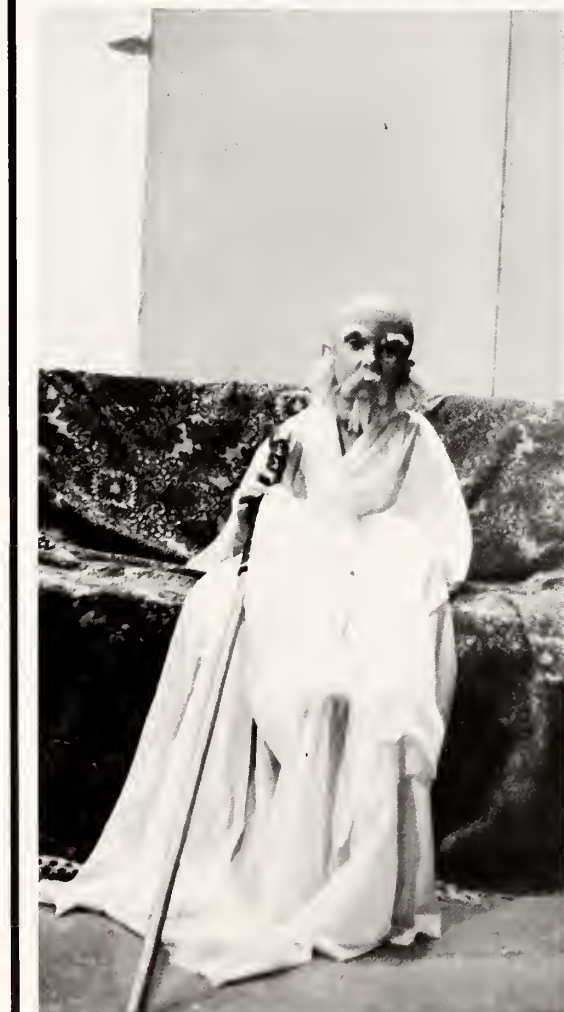

Last summer, through the cooperation of the College Theater and the division of Hotel-Motel Management, WCC presented "You Know I Can't Hear You When The Water's Running" by Robert Anderson. This collection of four one-act adult comedies was a sell-out every performance. The members of the cast were Virgil Adams, Richard Cardwell, Sabrina Mayes, Steve Cardwell, Ken McNeil, Margaret Cassells, Dick Sloop, Teresa Adams, Terrie Calahan, Donne Duncan, Mike Elledge and Molly Carrington.

## In Memory of

ROBERT BLAKLEY McNEIL

July 15, 1975

Rob McNeill was a personable and valuable participant in our College community. His teaching was characterized by effective teacher-student rapport and creative critical scholarship.

# In Memory of

SETH McPHERSON BEALE, M.D.

October 2, 1975

Dr. Beale, a charter member of the Board of Trustees, was a true servant of the public, both in his chosen profession and during his tenure as a Trustee. His wisdom, zeal, and active participation were the cornerstones upon which Wilkes Community College was successfully constructed.

The further we reach out the closer we become.

Self-portrait by Bill Daniels

Say, "CHEESE"

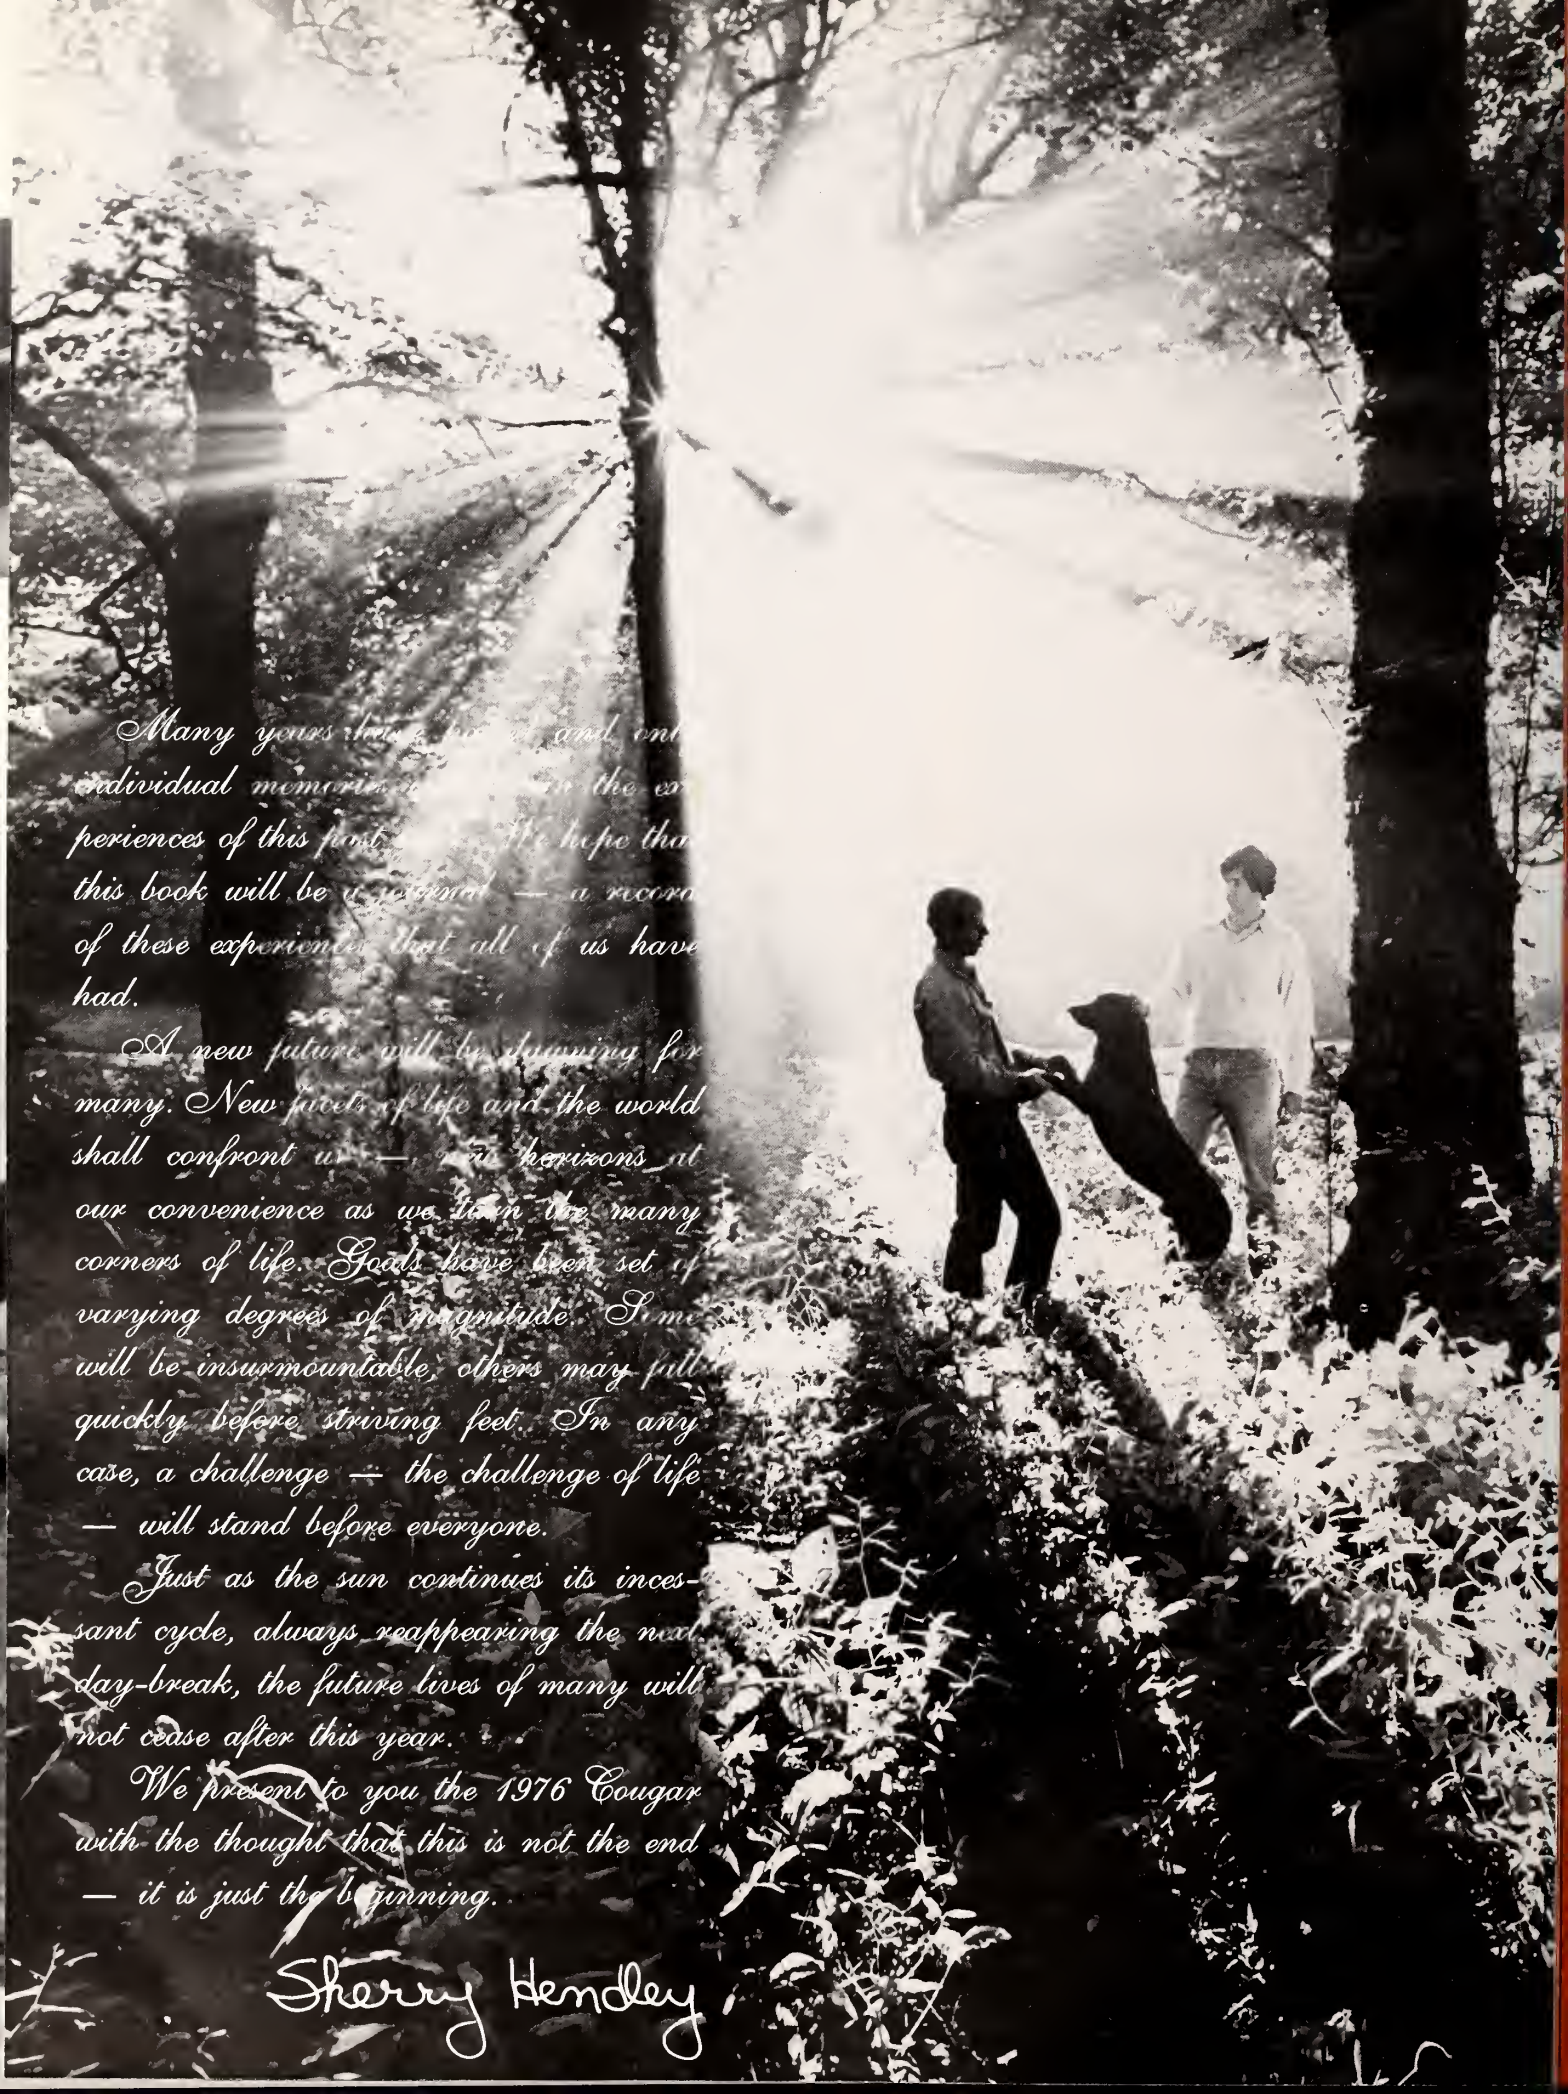

## Thanks . . . . .

The Cougar Staff gives special thanks to two certain people who have assisted us in the photography section of the Cougar. Ray Baugess and Gary McNeil have taken an equal part in the navigation.

We, the staff of '76 respectfully thank these two people.

*Many years have passed and only individual memories remain of the experiences of this first year. We hope that this book will be a memorial — a record of these experiences that all of us have had.*

*A new future will be dawning for many. New facets of life and the world shall confront us — new horizons at our convenience as we turn the many corners of life. Goals have been set of varying degrees of magnitude. Some will be insurmountable, others may fall quickly before striving feet. In any case, a challenge — the challenge of life — will stand before everyone.*

*Just as the sun continues its incessant cycle, always reappearing the next day-break, the future lives of many will not cease after this year.*

*We present to you the 1976 Cougar with the thought that this is not the end — it is just the beginning.*

*Sherry Hendley*
